

Peace

Peace is more than the absence of war.

*Peace is living in harmony and
not fighting with others.*

*If everyone in the world were peaceful, this would be a
peaceful world.*

Peace is being quiet inside.

Peace is a calm and relaxed state of mind.

*"Peace must begin with each one of us. Through quiet and
serious reflection on its meaning, new and creative ways
can be found to foster understanding, friendships
and cooperation among all peoples."*

-Javier Perez de Cuellar, Former Secretary General of the United Nations
