Education

VALUES-BASED ATMOSPHERE Certificated Online Training Course

I demonstrate my Values-based Atmosphere in every moment, for it emanates from within me. It is felt by all people, my family, friends, animals, and every living thing. It is evident in my environment.

The choice of values is a conscious choice, one which can be explained by the head and embraced and experienced by the heart

DISCOVER YOUR OWN VALUES-BASED ATMOSPHERE; IT CHANGES EVERYTHING!

Facilitators and Trainers from Living Values Education will share their knowledge, provide practical examples of Values activities, explain how to apply them, share them with others, and most importantly, demonstrate how this dynamic – a Values-based Atmosphere – can be embedded in your life, the lives of others, and the world around you. You can feel the difference.
