

Honesty

Honesty is telling the truth.
When I am honest, I feel clear inside.

A person worthy of confidence is honest and true.
Honest thoughts, words and actions create harmony.
Honesty is to use well what has been entrusted to you.

Honesty is the best policy. When I am honest,
I can learn and help others learn to be giving.
There is a deep relationship between honesty and
friendship.

Greed is sometimes at the root of dishonesty.
When we are aware we are interconnected, we
recognize the importance of honesty.
