Introducing Living Values Education Reflection Points!

ALIVE now offers Living Values Education Reflection Points for eight different values for each of the three age groups that we cover, i.e. 3-7, 8-14 and Young Adults. LVE Reflection Points help remind children and adults of some of the values that are the foundation of our life and society and stimulate thought about what they mean and how they can be applied in daily life. The points are colourfully illustrated and each can be printed as an A4 page or A3 poster for display at home or in the classroom. Offered in pdf and MS Word .docx format, they can easily be translated and adapted for local use and are available to view and download at [Materials for Schools](#).
