WEEK #1 - PEACE

DAY #1

Welcome! Are you ready to start your self-growth journey?

Is there something you want to achieve in the year ahead, or something to improve in the home or work dynamic. Living Values offers so much in the way of resources and activities for improving and bringing together relationships whether with work colleagues, friends, partners, or children. When you add the power of values to any circumstance you change the dynamic to positive. You can rebuild bridges, all it takes is the willingness to see what we are creating by the way we feel about ourselves and letting go of the need to have a specific outcome. What are you hoping to achieve over the next 12 weeks?

Our 12 values – **Peace, Respect, Love, Tolerance, Honesty, Humility, Cooperation, Happiness, Responsibility, Simplicity, Freedom, Unity** – are a defining feature of our identity as human beings and, in guiding our choices and priorities, they set the compass for the trajectory of our life, drive human, social and economic development and the transition to a better world for all. Join with Living Values Education in this unique moment to open yourself to your own innate values that determine your life...

Your Value to live by this week is PEACE.

DAY #2

Are you missing calmness from your life? Being calm is an incredible strength. It is a super power that allows you to remain in control. Just like silence, it gives you a chance to pause and reflect before you speak, to think before you take action. It is okay to take a break, to breathe and slow down.

Perhaps it is time to call for a timeout, and unclutter your mind. Take that one moment of peace and quiet and get back to regain your focus.

DAY #3

I keep my peace by not expecting anything from anyone, but cherishing my own inner treasure of peace. How do you keep yours?

A quote to consider: *"Peace comes from within. Do not seek it without."* ~ Buddha

|---------------|--|---|
| <p>DAY #4</p> | <p>Ask yourself: When am I free from mind chatter? Remember: You don't always need to be in control or have a plan. Sometimes you just need to breathe, trust, let go and see what happens. Take a moment, take a breath. Let's take a moment to pause, relax and focus on our wellbeing. Sometimes the most productive thing you can do is relax. Please visit livingvalues.net/peace/ for more info.</p> |  <p><i>Worrying doesn't take away tomorrow's troubles, it takes away today's peace.</i></p> <p><small>Living Values Education © Association for Living Values Education International</small></p> |
| <p>DAY #5</p> | <p>Consider this: How would your life be different if you had the courage NOT to participate in gossip and drama that is going on in your life? Let this day be the day you speak only about the good in you and others. Notice the difference it can make. Remember, peace consists of pure thoughts, pure feelings, pure wishes and pure intent. It is a calm and relaxed state of mind. To stay peaceful requires compassion and strength. Want to find out more? | <p>DAY #6</p> | <p>Are you starting to feel more peaceful? We spend most of our life running after things, doing things. We forget that 'being' comes before 'doing'. Those who remember this secret make an effort to 'be' and discover that when they stop and observe, life helps and brings whatever is needed. Learning to 'be' is learning to be at peace. It is our most fundamental nature. Remember, <i>"The biggest asset in the world, is your mindset"</i> Want to find out more? | <p>DAY #7</p> | <p>How was your week this week? More peaceful? Remember, peace begins with each of us. It is a calm and relaxed state of mind. To stay peaceful requires compassion and strength. A thought to consider: When our time on this Earth is done, money or material things will not matter, but the LOVE, TIME and KINDNESS we've given others will shine forever. livingvalues.net/peace/</p> |  <p>Peace</p> <p>Your attitude in life will determine your direction.</p> <p><small>© Association for Living Values Education International. WEEK #2 - RESPECT

| | | |
|----------------|--|---|
| <p>DAY #8</p> | <p>Your Value to live by this week is RESPECT.</p> <p>Have you ever put much consideration into where our self-respect comes from? Is it from our achievements, our sense of wellbeing, our comfort, the new acquisition, or could it be something much deeper, a knowing of our connectedness – to ourselves, to each other, to the environment, to nature. Clearly nobody is going to give us this, we have to find it in ourselves. Maybe self respect keeps us safe, we feel loved, valued, understood – all those things every human needs. In this week of reflection, what do you feel about this?</p> <p>livingvalues.net/respect/</p> |  <p style="text-align: center;">Respect</p> <p style="text-align: center;">When we have respect for ourselves, it is easy to have respect for others.</p> |
| <p>DAY #9</p> | <p>Ask yourself: Do I demonstrate respect for my relationships in my attitudes and behaviours? Do I feel respect for and show respect towards my family and friends. Is this something that I can improve on?</p> <p>Remember: <i>“Don’t treat people as bad as they are, treat people as good as you are.”</i></p> <p>Want to find out more? Visit livingvalues.net/respect/</p> |  <p style="text-align: center;"><i>We can be the change that we wish to see in the world.</i></p> <p style="text-align: center;">~ Gandhi</p> |
| <p>DAY #10</p> | <p>Respect is knowing I am unique and valuable. Respect is knowing I am lovable and capable. Respect is listening to others. Respect is knowing others are valuable, too.</p> <p>Want to find out more? Visit livingvalues.net/respect/</p> |  <p style="text-align: center;"><i>The key to better communication is to listen.</i></p> <p style="text-align: center;"><i>Look, listen, be present.</i></p> |
| <p>DAY #11</p> | <p>Consider this: How would your life be different if you stopped making negative judgmental assumptions about people you encounter? Let today be the day you look for the good in everyone you meet and respect their journey. It may hold the answers you’ve been searching for!</p> <p>Want to find out more? | <p>DAY #13</p> | <p>Consider this: Do I honour the worth of others? No matter what role we are currently playing, whether it be child, parent, business person, employee, teacher, government official, retiree, whatever age, gender, nationality, spiritual belief, we all have one thing in common; a human requirement to meet our basic needs – to be Safe, Respected, Understood, Loved, Valued.</p> <p>A thought to consider: <i>We don't need to share the same opinions as each other, but we do need to be respectful of each other.</i></p> <p>How respectful are you?</p> |  <p>The image is a graphic titled 'Respect'. WEEK #3 - LOVE

DAY #15

Your Value to live by this week is LOVE.

Perhaps give something to another without seeking something in return, what do we all have to give? One word LOVE. Is it so hard to find? Here are some Love suggestions from the Rainbow Booklet for the 8-14 age group.

Everyone reading this is lovable and capable.

When I am full of love, anger runs away.

Love is the value that makes our relationships better.

When my words give flowers instead of thorns, I create a better world.

I can have love for myself, love for my family, love for others, love for my country, love for my goals, and love for the world all at the same time.

Love for others means I want what is good for them.

Love means I can be kind, caring, and understanding.

When we feel strong inside, it's easy to be loving.

Love is caring, love is sharing.

Love is being a trustworthy friend.

DAY #16

This week, let's focus on this: Love, peace and joy are interconnected. When we express love in the form of care, we feel contented. When we forgive, we experience peace.

The right words create changes in lives, changes in opinions, heal others, heal yourself, and inspire love.

Consider this: *The love, acceptance and forgiveness you give to others will return back to you in the form of peace, joy and freedom.*

DAY #17

How is the level of Love in your life?

We can only learn to love by loving. LOVE is seeing the good in everyone, and wanting good things for them. Love is the principle which creates and sustains human relations with dignity and depth. It allows you to be kind, caring and understanding.

Are you open to becoming more loving?

| <p>DAY #18</p> | <p>During this week of self-reflection you should be reminded that not everyone will appreciate you. This is a fact of life. So remember this: When we know our true worth, no one can take that away. And when you feel strong inside, it is easy to be loving, kind, caring and understanding. It will also be your key to happiness.</p> <p>Visit: livingvalues.net/love</p> |  |
| <p>DAY #19</p> | <p>We live in a time of 'take, take, take'. Something for nothing; buy one get one free. The truth of the matter is that simply by giving I will receive all that I need. Giving is receiving.</p> <p>Consider this: <i>"Today let me find a way to 'give' unconditionally and with love."</i></p> <p>Give a smile; give a word of appreciation; give a thought of good wishes; give your co-operation for a task. Make today a day of giving and tomorrow you will receive the fruits.</p> <p>livingvalues.net/love</p> |  |
| <p>DAY #20</p> | <p>Spread happiness and positivity with words instead of gifts as a way to praise and appreciate people. Pay compliments to everyone you meet. Appreciate family, coworkers, and friends for their hard work and for being there in your life.</p> <p>We all know of someone who is living an unhappy life yet there is a wealth of wonderful opportunities and supporting information at our fingertips just waiting to be shared. Ask yourself, <i>"where and who can I help with all this free material, how can I change someone's life?"</i></p> <p>Let's make it a Happy World!</p> <p>Visit: livingvalues.net/love</p> |  |
| <p>DAY #21</p> | <p>Affirmation of the day: I LOVE MY SELF!</p> <p>Me, with all my shortcomings, flaws and imperfections, my gifts, my talents, my reserve, my enthusiasm, my kindness, my laziness, my passions, my insecurities, my sense of humour, my compassion, my doubts, what society would call my failures, my successes, what I deem to be my beauty and the lack thereof. I LOVE ME!!!</p> <p>livingvalues.net/love</p> |  |

WEEK #4 - TOLERANCE

| | | |
|----------------|--|---|
| <p>DAY #22</p> | <p>Your Value to live by this week is TOLERANCE.</p> <p>Tolerance is respect, acceptance, and appreciation of the rich diversity of our world’s cultures, forms of expression, and ways of being human. Those who know how to appreciate the good in people and situations have tolerance. What is the level of tolerance in your life?</p> <p>Please visit livingvalues.net/distance-self-reflection/ for more info.</p> |  |
| <p>DAY #23</p> | <p>Tolerance is inner strength transforming, misunderstanding and difficulty invoking the natural outcome of peaceful co-existence. What is the level of Tolerance in your life?</p> <p>Consider this: <i>Do I have tolerance for myself and treat myself kindly, even when I make mistakes or ‘slip up’?</i></p> <p>livingvalues.net/tolerance/</p> |  |
| <p>DAY #24</p> | <p>Tolerance provides the opportunity to discover and remove stereotypes and stigmas associated with people perceived to be different because of nationality, religion or heritage.</p> <p>Consider this: <i>Can I knowingly acknowledge another’s worth and need to exist regardless of that which I don’t understand?</i></p> <p>Want to find out more? Visit livingvalues.net/tolerance/</p> |  |
| <p>DAY #25</p> | <p>Lets focus on open-mindedness and listening. It is important to remember to be tolerant with ourselves, not just others. A lot of problems in the world would disappear if we just talk to each other, instead of about each other.</p> <p>Consider this: <i>Do my friends and partner consider me tolerant?</i></p> |  |

| | | |
|----------------|--|---|
| <p>DAY #26</p> | <p>When was the last time you had to learn something about someone else’s culture? Or consider something from someone else’s perspective? We ask people of all backgrounds, cultures and ages, to understand tolerance regardless of differences.</p> <p>Tolerance recognizes individuality and diversity while removing divisive masks and defusing tension created by ignorance.</p> <p>Want to find out more? Visit livingvalues.net/tolerance/</p> |  <p>For our most vulnerable communities, and for all humanity, let us work together to promote tolerance</p> <p>Living Values Education © Association for Living Values Education International</p> |
| <p>DAY #27</p> | <p>A sample question to consider: <i>Do I require certain conditions to support my tolerance?</i></p> <p>Broad-minded and open thinking is a hallmark of tolerant behavior. It’s the willingness to accept feelings, habits, or beliefs that are different from your own. Tolerance, is giving to every other Human Being, the same rights, you claim for yourself.</p> <p>You can download a free copy of our ‘Events & Activities’ Booklet to see how communities around the world are applying their knowledge of Living Values Education. When we are honest, we build strength of character that will allow us to be of great service to others. We are blessed with peace of mind and self-respect and will be trusted by others.</p> <p><i>Always do your best to be honest. | <p>DAY #30</p> | <p>Consider how you could you live an honest life:</p> <ul style="list-style-type: none"> • Begin by being completely honest with yourself. Never underestimate the life-changing power of the ability to trust yourself.</i></p> |
| <p>DAY #31</p> | <p>Why can't we decide for ourselves what we want. It is not for others to decide for us. Instead of always listening to others, waiting for approvals and appreciation, why can't we listen to our own heart.</p> <p>Integrity is part of honesty. It means being true to yourself and your values.</p> <p>Have been true to yourself?</p> <p>Have you been following your heart?</p> <p>To what extent you trust your own value?</p> <p>Visit our website today to find out more: livingvalues.net/values/</p> |  <p style="text-align: center;">Living Values™ Education</p> <p style="text-align: center;">Speak with Honesty Think with Sincerity Act with Integrity</p> |

| <p>DAY #34</p> | <p>Many of us live with surface honesty. The real challenge is to move beyond that to a much deeper place where we question our response and behavior for everything we attract into our lives. It is up to each of us to ask ourselves, <i>"how am I living up to this every day?"</i></p> <p>livingvalues.net/honesty/</p> | |
| <p>DAY #35</p> | <p>How has your week been? Ask yourself: Was I truthful with my relationships, my feelings and myself? When we make a choice to accept the truth or reality, we are no more a sufferer. Here, we do not want the reality to be different. However, most of the cases what we think and do is different from what the truth or reality is.</p> <p>livingvalues.net/honesty/</p> | |

WEEK #8 - HAPPINESS

DAY #50

Your Value to live by this week is HAPPINESS.

Consider this: Why don't I accept myself? When I love and accept myself as I am, the fight to become someone else ends. Feel good about yourself without feeling the need for anyone's approval. Once you have I have recognised and realised one self, the desire to be recognised by other people is lost.

Remember, *what you think of yourself is much more important than what others think of you!*

No one is perfect, but everyone can be Awesome!

Awesomeness runs in the veins of all of us, and we all have little periods of absolutely epic grade awesomeness every day of our lives. We just have to stand up and recognize it!

Take the time to hug someone, no matter who they are: your loved one, members of family, friends or even strangers. Hugging has many benefits for our health, and fill your heart with joy and happiness.

DAY #52

Choose to be kind in every moment, not just today.

Make the world a better place by celebrating and promoting good deeds and performing intentional acts of kindness to others, be it to your family, friends, neighbours, or even a stranger. Experience the joy of giving yourself – simply donating your time to someone can be just as valuable and rewarding.

Don't equate your purpose with goal-based achievements. When you choose to act out of kindness, compassion and love, you are already aligned with your true purpose. No need to look any further.

Remember, the Happiest people are givers, not takers.
